Hi Sean, thanks very much for letting me know about your upcoming visit to pdx! Unfortunately I'm traveling next week, and Wednesday is booked solid. I will reach out to Ryan this afternoon and make sure he and Jen are working on getting our next meeting scheduled and to make sure we've got all of the materials we will need by then prepared.

Hope you have a great trip!

Bob

Hi Bob, just wanted to let you know I'll be in pdx next Wednesday with some open time in the afternoon; not sure if that's too soon for our next meeting, but thought I'd reach out in any case to check in on next meeting dates. If that's too soon, no worries.

Thank you.
